Once you have ordered a 'Coordinator Pack', you can return to this screen to place any orders you require for 'Participant Packs'.

Please remember that there are **no refunds** on 'Participant Packs' for this year. Only order 'Participant Packs' for registered participants, you can always order more packs if you get late enrolments. The expected delivery time for 'Participant Packs' is 4-5 working days so the new packs should arrive for the next week of your program. 'Participant Packs' can this year be ordered in multiples of 3,4,5,6 and 7 (instead of previous seasons, where multiples of 5 were the only option).
