## Female U18 State Championships

# 2011/2012

## Welcome from the General Manager of Game Development

I am delighted to welcome all team officials to the Cricket Victoria Pathway Under 18 Female State Championships bringing together 16 Regional Representative teams from across the State to compete for the coveted State Championship trophy. In addition, the improvement in quality of these matches in recent years is a credit to the support you provide in promoting female cricket and delivering underage female development programs right across the State.

A highlight last season was the Female U18 State Championship Final on the MCG. This was an experience of a lifetime for the girls and team officials and I'm pleased to announce that we will be playing the Final at the MCG on Monday 23<sup>rd</sup> January 2012, should the National U18 Championships not intervene too greatly. Last season's Final produced another high class advertisement of Female Cricket a platform to showcase the quality of our Female Pathway and reinforce the outstanding progression we, as a whole, have made in promoting the game over recent years.

This season's carnival will again include both Twenty20 matches and 40 over fixtures played on the highest quality turf facilities in the State. We are privileged to host matches on grounds such as the Junction Oval, Frankston Peninsula, Camberwell Sports Ground and the Harry Trott Oval which identifies the increasing strength in the connection with our Male Premier Clubs. To culminate the Cricket Victoria U18 State Championships, our Semi Finals matches will be played on Female Premier 1<sup>st</sup> XI grounds, enhancing the relationship between the Cricket Victoria Pathway and Premier Cricket.

Female cricket continues to flourish in the State as we grow opportunities outside of the Pathway aimed at increasing our female participation, and developing the talent that we have worked so hard to assemble. Some of these include in2CRICKET, 12 and Under "All Girls" modified competitions, Kanga & Super 8s schools programs, Under 14 Extension Program, Under 17 Association Representative Challenge which then leads into this competition, VicSpirit Youth Academies and then onto Victorian Women's Cricket Association and ultimately Commonwealth Bank VicSpirit team.

I wish all teams an enjoyable and successful four matches and once again thank all officials for the work you do "on the ground" in developing female cricket across the State.

John Watkin | **General Manager Game Development**

**CRICKET  
VICTORIA  
FUTURE STAR AWARD**

The Cricket Victoria Future Stars program recognises talented young Victorians cricketers, with past winners including current Commonwealth Bank Bushrangers Aaron Finch and Michael Hill as well as Commonwealth Bank VicSpirit stars Emma Inglis, Jess Cameron and Elyse Villani.

In 2010/11 VicSpirit Rookie player Molly Strano was announced the winner of the Cricket Victoria Future Star Award.

All-rounder Strano made the VicSpirit rookie list for season 2010/11 and was also selected into the Victorian CA Women's Cup team which competed in the ACT. The vice-captain of the Victorian U18 team shined with the ball at the National Championships in Adelaide early on this year taking 15 wickets.

Strano's leading wicket-taking efforts saw her named as Bowler of the Tournament and her efforts over the last year front lined her to take out the Female Cricket Victoria Future Star Award.

The Cricket Victoria Future Star Award will be presented at the Cricket Victoria Gala Awards to one of five monthly nominees. Each month from October to March an Under 19 male and female player will be nominated for the Cricket Victoria Future Star Award. Nominations will be based on performances for Premier club, National Youth Championships, Cricket Australia Cup and Bushrangers and Spirit matches.
