

Extracts from
**Burwood Uniting Canterbury
 CC “Junior Bulls
 Newsletter”**

Welcome to our Club newsletter. We hope to distribute Newsletters on a monthly basis which will include summaries from each of our junior teams and information on planned social activities. If you would like to contribute to future Newsletters, please forward details via email or as a hard copy.

SUB'S

Another request that all outstanding sub's and completed registration forms be forwarded to Carol or passed to your Team Managers. The cut off date is the 31st October, so all payments are to be made by this date.

SUNSMART POLICY / WARM UP JACKETS

BUCCC is committed to the “Sunsmart Policy” and would like to encourage all players to wear hats while fielding. Even on overcast days wearing a hat is a good habit to start. Maybe we could encourage the players with the saying “No Hat No Play”.

The club has hats embroidered with “The Bulls” logo available for purchase through Sportscorp. Sportscorp have also advised that warm up jackets, the same as the seniors' jackets are available in sizes 4 – 14, embroidered with “The Bulls” logo for the cost of \$29.00. If you are interested in ordering jackets, please contact Carol or Jen for an order form. We will then lodge one order with Sportscorp.

MILO HAVE A GO

After a successful Registration Day on 17/10 where 51 children enrolled, we were looking forward to the start of the Milo Have A Go program on Sunday 24/10. 51 was a good number and consistent with previous years, as we had 54 last season, and 52 the season before.

However, the news had evidently spread and we had 16 new registrations on Sunday bringing us to a total of 67 participants. I am sure we will get quite a few more in the next couple of weeks, too. A pleasing aspect is that we have about a dozen girls this season, a big increase on last year, and perhaps in a few seasons we may start that girls team we have been talking about for a couple of years. A group of about 15 third graders is also an encouraging sign for the Under 10's in the future.

Thanks to my deputies Gay Burnett, Tim Nolan and several very helpful parents we were able to run a well organised clinic first up, but with those numbers we will be kept on our toes this season!

SOCIAL FUNCTIONS

Following a recent committee meeting it has been decided to hold a monthly “BBQ/Presentation Night” for all junior teams. We are keen to promote a “family” feeling in the BUCCC junior cricket community and to also acknowledge player’s achievements. One Friday night each month has been proposed.

This will then coincide with home matches for the U/14 and U16’s. Time frame to be between 6.00pm – 7.30pm. You may wish to stay on and watch the game being played.

The club will be cooking sausages for purchase but you are most welcome to bring along your own picnic. Each team will be allocated a Friday Night to assist with the BBQ, setting up, cleaning up, etc. A detailed sheet will be provided to assist with this.

MOUNTAIN BIKE RAFFLE

Thank you to Peter Barker for organising the bike and to all who have purchased tickets in the raffle. The raffle will be drawn on the 30th October – good luck to everyone.

CANTEEN

The Canteen is officially up and running thanks, Craig, Andrew Frawley and Carol. The canteen will sell Hot Dogs, chips, BBQ shapes, snakes, soft drinks, water, tea and coffee available.

Craig has volunteered to man the canteen each Saturday but again we would ask for volunteers to assist. So when you are playing at home could parents please make up a roster within your own team to assist Craig?

As Lynden Park is the home venue for a number of other clubs, we hope that the provision of a canteen will be a worthwhile contributor to our fundraising activities.
