

Ocean Grove CC

Caravan Park Cricket

Having a home ground located at a popular holiday destination has presented Ocean Grove CC with a unique opportunity.

The Club identified and capitalised on the notion that Australians love to play cricket on their holidays by developing a day of cricket specifically for holiday makers.

Called the “Caravaner’s Cup”, the Club invites the local caravan parks to form and enter teams in a competition played under a range of modified rules.

The Club takes full advantage of the day by opening their facilities and having food & drinks available for sale, making it one of their major fundraisers for the year.

The event is now ingrained in the caravan park culture at Ocean Grove with people coming back to play each year.
