Recruiting non/playing members through Super 8's

Robinvale-Euston CC holds an Annual Super 8's cricket carnival to promote cricket and the Club within the community.

The day also serves as a recruitment drive for both playing and non-playing members.

Club members and a broad cross-section of community members form teams for the Carnival which has attracted up to 12 teams involving players of various ages and backgrounds, being both regular cricketers and non-cricketers.

Indicative of the tournament's wide appeal, women's teams have also been known to enter.

Participants are not required to wear whites and teams are invited to come up with their own uniform if they choose – the tournament has seen some weird and wonderful uniforms in past years! Cricket equipment for the day's play is supplied by the Club.

The nature of the tournament's modified rules and relaxed atmosphere is appreciated by the participants and the Club is able to attract people not interested in playing traditional Club cricket.

Apart from being a great stimulus for cricket participation in the community and gaining regular Club members, the day also serves as a good fundraiser.
