

## North Eltham Wanderers CC

### Club Café

To provide a modern, more welcoming environment for Club members, parents, supporters, families and guests, North Eltham Wanderers CC developed 'Café NEW'.

Café NEW, set up with outdoor tables, umbrellas and barriers boasts an advanced Coffee Espresso machine serving Cappuccino, Latte', Hot Chocolate, etc, as well as offering a variety of cakes, fruit juices and sports drinks to its patrons.

Since opening Café NEW, the Club has experienced a huge growth in parental involvement and local community members attending the Club.

With the Club's U12s and Milo kids training on Sunday mornings, Café NEW has become the local venue for parents to gather, read the paper and socialise. Passing community members who are out for a walk on the weekend are also stopping by for a coffee and a chat.
