

St Mary's CC

Creating a safe, welcoming Milo HAG Program

St Mary's CC Milo HAG Program endeavours to provide a playing environment that is safe, welcoming and inclusive of all in the community.

The Club has instigated the following strategies:

- Promoted the program across all sectors of the community
- Run clinics at the local Special Needs School
- Provided every participant with a club badge and cap
- Incorporated a 'Buddy Day' whereby each participant is encouraged to bring a friend along to a session
- Provided two adult 'Toilet Monitors' wearing fluorescent jackets to accompany any child needing to go to the toilet
- Provided every participant with the 'Club Script' which sets out the Club's structures and mission statement
- Made sure that sunscreen is available during every session
- Organised regular sausage sizzles for all 'Have A Go' participants and junior families
