### Junior Girl Recruitment Letter

24 September 2003

ALTONA VIC 3018

Dear Mr.....,

Last winter I wrote to you regarding the Altona North Cricket Club starting up a Junior Girls Cricket Team to play in the Victorian Women's Cricket Association Under 17 Friday Night Competition.

We set out to recruit young girls between the ages of 12-16 from local primary and secondary schools to get our team up and running. I am pleased to say that not only did we get our team off the ground but the girls made it all the way through to the Grand Final in their first season, going down by 3 runs to Melton South Primary School.

Despite the Grand Final loss, the season was a huge success and the big plus is that all the girls have said they will be playing again in season 2004/05.

The Altona North Cricket Club can offer girls the following opportunities to play cricket:

**MILO Have-A-Go Program** which caters for girls and boys between the ages of 5-10 years old.

**VWCA Junior Girls Team** which is suitable for girls aged between 12-16.

**VWCA A Grade Team** which is an open aged weekend competition and the senior women's team at the club.

This winter we are looking to recruit more girls to the club in the hope of fielding a second Junior Girls Team for season 2004/05.

As the School Sports Teacher, we are hoping that you will make the girls at your school aware of the opportunities that Altona North Cricket Club can offer them and would appreciate if you could mention our club recruiting drive in your next school newsletter.

Thank you once again for taking the time to read our letter and if you have any questions about our club please don't hesitate to contact myself at the number below.

Yours sincerely,
